

SPONSORSHIP OPPORTUNITIES

Jersey Water Works is a collaborative effort across sectors to transform New Jersey's inadequate water infrastructure through sustainable, cost-effective solutions that provide communities with clean water and waterways, economic growth, and many additional benefits.

The third annual Jersey Water Works Conference is day-long event that will bring together more than 300 state and local decision-makers, practitioners and stakeholders to amplify the importance of addressing New Jersey's water infrastructure and explore innovative solutions and to celebrate the Jersey Water Works collaborative as an effective, comprehensive approach to achieving statewide impact.

When: Friday, December 1, 8:30am - 2:30pm

Where: New Jersey Performing Arts Center, Newark, N.J.

What's in it for you?

It's a great way to gain exposure with potential and current clients and cultivate business leads. Sponsorship levels vary and, depending on the level, can include display space, signage, program book listing and ads, event website listing, linked logo on emails leading up to the event, social media recognition and complimentary registrations.

Who attends?

The perfect mix of the private and public sectors: mayors and CEOs, township managers and corporate program directors, COOs and public finance managers, engineers from towns as well as from the top firms in the region, along with planners, contractors, environmental service providers and community advocates—all of whom are influencers or decision-makers for how and with whom infrastructure projects will proceed.

What to expect:

Previous conferences have featured national and local speakers, the announcement of commitments to action by the members of Jersey Water Works, and panel discussions about local water infrastructure challenges and opportunities. More information about the 2015 and 2016 conferences can be found online at JerseyWaterWorks.org/Events. Stay tuned for more information about the 2017 Conference program agenda!

Contact Michele Glassburg, Director of Development & Outreach, New Jersey Future (609) 393-0008 ext. 107, or mglassburg@njfuture.org with questions about sponsorship.
